This letter constitutes notice to you that you have the responsibility to handle the School Board Election in your municipality for our School District on April 6, 2021. As during past years, the election of school board members for our School District in your municipality will be at the same time and place and with the same election officials as the annual spring election in your municipality.

We are willing to arrange to provide you with additional information as to the conduct of the School Board election and the reporting of the election. The School Board has placed this responsibility on the School District Administrator.
