ORDINANCE NO. 97

AN ORDINANCE TO IMPLEMENT CURBSIDE WASTE AND RECYCLING PICKUP IN THE TOWN OF OREGON

The Town Board of the Town of Oregon, Dane County, Wisconsin, does hereby ordain as follows:

1. Section 6.10.030 of the Town of Oregon Municipal Code is hereby repealed and recreated to read as follows:

"6.10.030 Curbside collection of solid waste and recyclables.

a. Commencing on July 1, 2023, the Town of Oregon shall provide for curbside collection of waste and recyclables from all single family residences, two and three family residences and small businesses located within the Town of Oregon. The Town of Oregon shall recover the cost for providing these services by special charges pursuant to Wis. Stats. §66.0627, as specified in the applicable Town of Oregon fee schedule.

b. Curbside pickup of waste and recyclables shall continue to be inapplicable for agricultural residences, multifamily dwellings containing four or more dwelling units and businesses other than small businesses if they provide proof of satisfactory arrangements with their own waste and recycling disposal services."

2. Section 6.10.040 of the Town of Oregon Municipal Code is hereby amended to read as follows:

"Effective July 1, 2023, The Town of Oregon will operate a recycling center for the purpose of collecting certain waste items as specified by the Town Board for Town residents. ~~recyclables, nonrecyclables, garbage, rubbish and yard waste~~ for Town residents.~~those residents who do not receive curbside collection. Residents who receive curbside collection may voluntarily utilize this facility although this action will not abrogate their financial responsibility to their collector~~.

~~Any delivery to the TORC will be enclosed as in a trunk, tarped truck or in sealed containers so as to provide for adequate prevention of litter on roads or in the general vicinity of the TORC. Uncovered loads will be refused at the TORC.~~

Commencing on January 1, 2023, ~~T~~the Town of Oregon will staff the TORC and maintain public hours which, at a minimum, will be two (2) Saturdays each month from 7:30 a.m. to 1:00 p.m. ~~for eight (8) hours each day it is open~~. Hours or days of operation may be extended at the Town Board's discretion. The Town of Oregon also reserves the right to determine separate schedules for receiving certain materials. Under no circumstances will entities other than employees or agents of the Town of Oregon be permitted in the TORC outside of the posted hours of operation with-out the expressed written permission of the Town Board.

The Town of Oregon Recycling Center will provide, at a minimum, the following facilities:

~~a. Collection bins for the separation and collection of newspapers, clear glass bottles and jars, brown glass bottles and jars, PETE and HOPE containers, office paper, container board, metal cans and magazines. If technology allows and cost does not prohibit, the Town of Oregon may opt for the inter- mingling of recyclable materials.~~

~~b. A compactor for the collection of nonrecyclable garbage or rubbish for ultimate delivery to a designated Dane County landfill or other disposal site.~~

a~~e~~. A compost pile for the disposal of leaves or yard debris.

b~~d~~. A collection container for waste oil.

c~~e~~. A burn_pad for brush, clean wood, and sawdust. Dumping of any other yard waste, nonrecyclable paper products, metal, plastic, rubber, glass, chemicals, oil, recyclable material or any other material specifically banned from the burn_pad will be in violation of this chapter.

d~~f~~. A drop point for scrap metal such as metal paint cans, lawn furniture, small appliances or other metal objects which can be easily lifted. Arrangement for disposal of large deliveries of metal or heavy objects should be made with an individual contractor and cannot be delivered to the TORC.

e~~g~~. A collection point for tires.

f~~h~~. A collection point for lead-acid batteries.

~~The Town of Oregon Recycling Center will charge a fee for each container of garbage or rubbish (not to exceed thirty (30) gallons) placed into the compactor.~~ The Town of Oregon will provide a system to charge residents for such usage which will at least equal the operation cost of the TORC. ~~Monies gained from the sale of recyclables or other materials will be used to defray the total operating costs of the TORC.~~"

3. Section 6.10.050a. of the Town of Oregon Municipal Code is hereby amended to read as follows:

"a. Disposition of Recyclables. Residents ~~who receive curbside pickup will use a method for separating~~ shall separate recyclable material from other items in conformity with the rules of the ~~collector~~Town of Oregon. ~~Residents using the TORC will separate all recyclables into the appropriate bins provided at the TORC. Residents also have the option of delivering recyclable materials to the recycling center of their choice.~~"

4. Section 6.10.060 (introduction) of the Town of Oregon Municipal Code is herby amended to read as follows:

"Recyclable materials shall be prepared in the following manner~~, whether the materials are for curbside collection or delivery to the TORC~~:"

The above and foregoing Ordinance was duly adopted at a regular meeting of the Town Board of the Town of Oregon on the 24 day of January, 2022.
